Dear Gordon,

I am writing regarding your agency's United Way of Greater Kansas City certification status. Based on a review of materials submitted, KidsTLC is **certified** for the 2016 calendar year.

As you know, funding is contingent on continued compliance with United Way Agency Standards. The certification process is an annual review and will be conducted again at the beginning of 2017.

If you have any questions please feel free to contact me at jimmacdonald@uwgkc.org or 816-559-4659.

Sincerely,

A handwritten signature in black ink that reads "Jim MacDonald". The signature is fluid and cursive, with the first and last names being the most prominent.
