

Holiday Giving

Each year KidsTLC partners with the community to make the holidays brighter for those receiving mental and behavioral health services on our campus!

HERE ARE THREE WAYS YOU CAN HELP:

1

Sponsor a child or a family! Make the holidays a little more merry and bright by fulfilling a specific wish list.

2

Not a shopper or like to wait until the last minute? You know who you are! Kids enter residential services on our campus close to Christmas and often worry that Santa won't know where to find them! Let us know if you can help with a short-notice request or simply make a monetary donation at www.kidstlc.org/donate.

3

Help stock the shelves! Shop for program supplies that will enrich the therapeutic services offered across our campus!
