2025 PARTNERSHIP BUNDLE PACKET

Dear Friend of KidsTLC,

At KidsTLC, we feel incredibly lucky to be surrounded by a community that genuinely cares about the safety and happiness of children! Every year, we are blown away by the incredible kindness of those who believe in helping our children by sharing their time, talent and treasures. Because of supporters like you, we are able to keep building a safe, therapeutic environment where children and families can grow, connect and discover hope.

Walk around our campus, and you will see the magic; KidsTLC is a place where connections blossom, trust is built and hope is renewed. Every day, children and their families come through our doors, seeking support as they navigate mental health and behavioral health challenges, developmental trauma and autism. Thanks to YOUR support, KidsTLC becomes a sanctuary for them—a place where they can face life's toughest obstacles while feeling safe and accepted.

Now, we invite you to make an even bigger impact! Join us as a 2025 Bundle Partner and become part of KidsTLC's therapeutic community. As a Bundle Partner, your company gets an opportunity to boost its visibility through our event marketing, strengthen ties in the Kansas City community, and show your customers that your company truly cares. Your support will allow KidsTLC to reach even more kids and families with the therapeutic resources they need to thrive.

Highlights of the coming year and 2025 Bundle Partnership opportunities include:

- **KidsTLC Open (Monday, June 2, 2025)** Join us for a 4-man scramble at the exclusive, award winning Shadow Glen Golf Club - *consistently sells out!*
- **Pour for More (Saturday, June 21, 2025)** This unforgettable brunch experience at J. Rieger & Co. has become a KidsTLC supporter favorite!
- **Benefit25 (Friday, September 19, 2025)** KidsTLC's largest fundraiser will be held at Union Station with a nontraditional vibe, VIP experiences, amazing entertainment and epic after party!
- **Trunk-or-Treat (October 2025)** Host a trunk for more than 100 children on KidsTLC's campus.

Come make a lasting impact with us—together, we can create brighter futures for children and families!
